

HOFFMAN PLAZA

North Roselle Road & Golf Road
Hoffman Estates, Illinois

❖ Hoffman Plaza benefits from an ideal location within a dominant retail corridor and between two fully signalized intersections: Golf & Roselle Rd. and Roselle & Higgins Rd. The combined traffic counts amount to over 116,000 vehicles per day. All three primary thoroughfares give the property great connectivity to the surrounding trade area including I-90 one mile north and Woodfield Regional retail corridor to the east.

❖ Jewel-Osco's long standing presence in the center continues to draw loyal customers to the property. The recent addition of Burlington and the availability of two out-parcels, which could be subdivided, provide opportunities for restaurants and retailers seeking to enter this in-demand area.

❖ The center is well positioned in an area with a dense and highly educated population. In addition, the northwest suburban corridor contains the largest concentration of office space in all of suburban Chicago with an estimated 70,000 day-time population in a three-mile radius.
